

# BURTON JAMES

ALL FURNITURE HAND CRAFTED IN THE USA

With a history spanning over three decades, Burton James has established their reputation as a true hidden secret of the professional interior design trade. With a commitment to local sources, Burton James' operation is home to a team that designs and manufactures a namesake range of sofas, sectionals, and bedroom furniture, all built to exacting specifications. It is our goal to provide furniture with a commitment to sustainability, an accessible design aesthetic, and a true reflection of "Casual Elegance."
